## [Download the Occupational Specialism Assessment Process Requirements - applicable for Management and Administration \(full OS\) and Animal Care and Management \(OS research projects 8717-408 and 8717-410 only\)](#)

The screenshot shows the City & Guilds website's 'Resources and support hub' for T-Levels. At the top, there is a search bar and a navigation menu with 'T-LEVELS' selected. Below the navigation, a large banner image shows a group of people in blue work clothes. The main heading is 'Resources and support hub'. Below this, there is a breadcrumb trail: 'Home > T Levels > Resource Hub'. The main content area includes a welcome message: 'Welcome to the Resource and Support Hub for T Level Technical Qualifications. Here you'll find a range of teaching, learning and planning resources for tutors as well as information and support regarding approval, quality assurance, registration, bookings, timelines, fees and communications for all staff.' Below the welcome message is a list of resource categories with dropdown arrows: 'Approval and quality assurance', 'Specifications and centre documents', and 'Key dates 2025-2026'. On the right side, there is a sidebar with the 'T-LEVELS THE NEXT LEVEL QUALIFICATION' logo and a button that says 'MANAGE YOUR CENTRE CONTACTS'.

# AEAC Resources

## Free Resources for delivery staff:

**Events and webinars**

**T-LEVELS**  
THE NEXT LEVEL QUALIFICATION

We run free webinars and events throughout the year to ensure our customers are supported at every stage, from curriculum planning through to ongoing delivery.

Our events provide a great opportunity to network with your peers, and gain expert advice and guidance from our technical advisors and their teams.

You will also find the recordings and slides from each of our T Level webinars, as well as our communications.

Please be aware that some of our events listed below are hosted on Eventbrite and Go to Webinar and will link you to their website for registration.

Provider support events focus on best practices for core assessments. Cover topics including:

- Assessment and resits
- Core exam preparation
- Core exam delivery and exam techniques
- Core exam delivery and exam techniques

Events are relevant for all TQs and is aimed at delivery staff currently or who will be involved in delivering the core assessments.

December 2025, 10.00 - 13.00 GMT

December 2025, 10.00 - 13.00 GMT

Onsite Construction and Building Services Engineering

Engineering and Manufacturing

Management and Administration

Agriculture, Environment and Animal Care
